On-the-go

Accountability

Designed for

Real Life.

Prepare for your journey with tools designed to complement every relapse prevention plan

**Random Drug Testing** – Select frequency and choose from a wide variety of drug and alcohol test panels. Collection is simple. Just visit any one of our nationwide network of collection centers. Locate easily with your MobileTrek app.

**Breath Alcohol Testing** – Purchase a MobileBAC Bluetooth-enabled, smartphone compatible breathalyzer. Lightweight, portable and affordable. Select frequency. Receive alerts and test in less than a minute. Fast, accurate results.

**Meeting Module** – MobileTrek allows you to Check-In digitally document your attendance at recovery-oriented events such as support meetings, physician & therapist appointments. Data can include: Timestamp, GPS, e-Sig, Photo.

**Case Management** – Planning, coaching and support with a licensed drug & alcohol counselor.

**BEGIN THE RECOVERY JOURNEY!**

**Packages start at \$75 per month!**
